Student at karnavati university

## ABOUT ME

Hello,

Shriji Upadhyay here currently pursuing Bachelor's of Design in Communication Design at Karnavati University, Gandhinagar and currently in 2nd year learning communication design and exploring different fields and finding my interest so that I can build a strong portfolio for future experience. I would love to work in different fields like graphic design and explore different fields which inspires me being a student.

## PROJECTS I HAVE WORKED ON

Since I am a second year student I have very little explorations and work experience but these are some of my projects-

1. Worked on redesigning KHADI INDIA LOGO, SOCIAL MEDIA SITE, BRANDING, MOCK-UPS, and redesigning their UI screen.

2. Worked on making Posters, Ads, Social media posts, merchandise for Cadbury and Forest Essentials.

3. Made a Film named The invisible as my college elective as a Cinematographer.

4. Made illustrations and billboards for several topics like food and album cover designs as explorations.

5. Made posters and illustrations on Hawaii for color theory exploration.

6. Made posters on Hygiene project and flashcards which can be distributed in rural areas and researched about the topic as my design project.

PLEASE NOTE THAT SEVERAL PROJECTS ARE REDESIGNED, AS MY EXPLORATIONS. SINCE I AM A STUDENT I AM LEARNING AND EXPLORING THINGS.
